Gift Certificates

Gift Certificates are available and can be customized for the person receiving the balloon ride. In order to receive a Gift Certificate it must be paid for in full prior to mailing, and is subject to the Refund Policy and Booking Fee policy listed below.

Payment Structure

Once a balloon ride is purchased there are two stages of payments; Booking Fee and Full Payment. The Full Payment selection includes the Booking Fee.

Booking Fee In order to place a balloon ride on our schedule a \$25 non-refundable fee will be charged. This Booking Fee is part of the total balloon ride cost. Once the Booking Fee is received the balloon ride can be scheduled.

Full Payment The Full Payment for the balance of the balloon ride, in accordance with the Rates listed above, must be made prior to the flight.

Refund Policy

The Booking Fee is not refundable. The balance of the payment for the balloon ride is refundable within thirty (30) days of the transaction date and will be made by check from SkyCab within 10 days of receipt of the refund request. The transaction date is the date the credit card transaction was posted to the customer's card, or if payment is made by check it is the date the check is deposited in SkyCab's account.

After 30 days there is no refund available for the ride but the Ride Certificate is transferable to another person after notifying SkyCab's office. The original ride certificate must be physically transferred to the new rider.

There are no refunds for rides for any reasons once the flight has commenced.

Balloon Ride Gift Certificate

Only original balloon ride certificates issued by SkyCab Balloon Promotions, Inc. will be accepted for our balloon rides. Photocopies, reprints, and reproductions will not be accepted nor will destroyed or incomplete Certificates be accepted. If a Certificate is reprinted or altered in any way SkyCab will refuse to accept the altered Certificate as well as the original Certificate the alteration was based upon

Cancellation Policy

Once a balloon ride is scheduled the rider(s) must cancel or reschedule the ride 48 hours prior to the scheduled time and date. Failure to cancel the ride 48 hours in advance will result in a forfeiture of the ride certificate and the payment received. If the ride is for more than two people then all riders must cancel their trip 48 hours in advance in order to avoid forfeiture.

The rider(s) must arrive at the designated meeting location by the designated time. It is mandatory for the rider(s) to notify SkyCab if they are going to be late. If the rider(s) are more than 15 minutes late SkyCab may have to reschedule the ride if there is not adequate time for a safe and complete flight. If the rider is more than 30 minutes late to the predetermined time then the ride certificate and the payment is forfeited in full.

If the flight is cancelled by SkyCab due to weather or any other unexpected occurrence once the ride is scheduled, the flight will be rescheduled for the next available date for everyone. If the flight is cancelled by SkyCab and the ride certificate is due to expire, it will be extended until the flight can be completed. A flight cancelled by SkyCab is not grounds for a refund.
